Sir/Madam:

Re: EIR0607-001 Gahcho Kue

The proposed activities that are contained in this application are to be conducted on Metis Traditional Lands, and are inside of the Interim Measures Agreement area. To date De Beers Canada has not conducted any consultation activities with the Northwest Territory Metis Nation (NWTMN), and are requesting De Beers Canada meet with representatives of the NWTMN to enter into a consultative process. The NWTMN would also request that a meeting between the proponent and representatives of the NWTMN, this meeting would be considered an information session in order we understand the proposed activity. Until the above has happened the NWTMN will not give support to this application.

Should you require any further information please do not hesitate to contact the Interim Measures Agreement offices.
