

NOTE TO FILE

March 5th, 2010

This morning I was contacted by Ms. Tracey Williams, representative of Lutsel K'e First Nation (LKFN).

Ms. Williams stated that LKFN's views regarding the issues related to the current Request for Ruling are unchanged from those in the letter from LKFN received by the Review Board on Feb. 15, 2010, and that LKFN will not be providing additional comment on the requests for this reason.
