File 3400-P097-1  
7 December 2001

Mr. Alan Hollingworth  
Gowling Lafleur Henderson LLP  
Suite 1400, 700 - 2<sup>nd</sup> Street S.W.  
Calgary, AB  
T2P 4V5  
Facsimile (403) 263-9193

Dear Mr. Hollingworth:

**Paramount Transmission Ltd. (PTL)**  
**Cameron Hills Pipeline and Fuel Gas Pipeline**  
**Application pursuant to section 58 of the *National Energy Board Act***  
**Information Request No. 7**

The National Energy Board (NEB) is considering PTL's application dated 29 June 2001, and subsequent filings, and has determined that additional information is required as detailed in the attached Information Request.

PTL is directed to file its response with the NEB and submit a copy to the Mackenzie Valley Environmental Impact Review Board. PTL is also directed to serve a copy of its response to persons on the attached distribution list.

Should you have any questions, please contact Ms. Mona Butler, Regulatory Officer, at (403) 299-3928 or Mr. Guy Delisle, Legal Counsel, at (403) 299-3937.

Yours truly,

Michel L. Mantha  
Secretary

**Information Request No. 7**

***Traditional Knowledge Study***

- 7.1 **Reference:**
- (i) MVEIRB IR #11 page 51 of 60
  - (ii) Report on Traditional Knowledge Studies for the Cameron Hills, NWT, 2001

**Preamble:** In the first reference Paramount has made the following commitment: "The draft document for the traditional knowledge (TK) study will be reviewed by the communities to ensure its accuracy. Any changes recommended by the communities will be incorporated into the final TK study. Information from the TK study will be considered in the design and operation of the Project."

**Requests:** Please provide confirmation that:

- a) the communities have reviewed the TK study that was filed with the Board on 4 December 2001;
- b) any changes recommended by the communities have been incorporated into this study; and
- c) the information collected for this TK study has been considered in the design and will be considered in the operation of the project.
