Louie:

The GNWT will prepare a response on the draft terms of reference as requested. However, we will not be able to meet the Board's deadline of Monday, January 22, 2001 in doing so. You may be assured that comments will be submitted as soon as practicable in order to ensure that this EA proceeds in a timely fashion. My apologies for the delay, and thank you for your patience.

Subject: Patterson EA - Draft Terms of Reference and Draft Work Plan

<< File: January 12 Patterson - Draft Terms of Reference with Legal Review.doc >> << File: January 16 Patterson Pine Point Area EA Work Plan.doc >> Please find attached the draft ToR and Draft Work Plan for the Patterson Sawmill Environmental Assessment. As you can see I am looking to see if a very fast turn around on these draft documents is possible as I would like to bring them before the Review Board at their next meeting here in Yellowknife. To that end, I would be looking to get comments back by 12:00 noon on Monday the 22nd of January.

Thanks in advance for your assistance and understanding.

Sincerely,
