Conservation Director
Canadian Parks and Wilderness Society
NWT Chapter
P.O. Box 1934
Yellowknife, NT X1A 2P4

Dear Mr. Yeoman:

Further to your letter dated May 29, 2002, I am enclosing copies of inspection reports on the Canadian Zinc property from 1980 to present.

Please note that the earlier inspection reports refer to the now defunct Cadillac Mines (who held the land use permits as opposed to surface leases at the site), and prior holders of the leases besides Canadian Zinc Corporation. If you have any questions on any of the inspection reports, I would ask that you contact our District Manager Mr. Ed Hornby at the South Mackenzie District Office. Mr. Hornby can be reached at 669-2761.

Yours truly,

Annette McRobert
Director,
Operations
