Mackenzie Valley Environmental Impact Review Board

Box 938, 5102-50th Avenue, Yellowknife, NT X1A 2N7

Date: Tues. Feb. 11th, 2003
From: Alan Ehrlich, A/ Manager of Environmental Impact Assessment
Pages: Only these two pages
File: EA01-003 Decline and Metallurgical Pilot Plant

Subject: Canadian Zinc Corporation Decline and Metallurgical Pilot Plant - *Refer to Item # 244*

Correction: Yesterday's I stated on a fax cover sheet that the MVEIRB sent to this distribution list "the information on water treatment provided *by North American Tungsten*". Oops. Wrong developer! North American Tungsten has no involvement with this. It was, of course, Canadian Zinc Corporation that sent in the information on water treatment. My apologies for the confusion!

Any comments people wish to submit comments on the recent water treatment information from Canadian Zinc Corp. should be sent to the Board no later than Feb. 17th. 2003.

Alan Ehrlich
