Dear Mr. Yeoman,

RE: Twenty-five Letters of Concern and Information Requests

Thank you for your October 18, 2001, Information Requests and copies of the twenty-five letters of concern regarding the ecological health of the Nahanni region. I have placed the letters and the information requests on the public registry and am bringing the Information Requests to the attention of the Review Board and its legal counsel. I will call you to discuss the status of the Information Requests next week.

Sincerely,

Luciano Azzolini
Environmental Assessment Officer
