**Subject:** Response to Information Requests PART 1

Please find attached Canadian Zinc Corporation's response to Information Requests (IR) authorized by the Mackenzie Valley Environmental Impact Review Board (Review Board or Board). I will send the IR responses in two emails to avoid one large email and the congestion that may cause. As you know, the Review Board is visiting the CZN site on August 30, 2001, and the public registry for the two CZN environmental assessments closes on August 31, 2001. Please submit technical reports and/or other information on or before the close of the public registry on August 31, 2001. If there are questions regarding consideration of evidence after the close of the public registry please refer to item no. 27 in the Review Board's draft *Rules of Procedure for Environmental Assessment and Environmental Impact Review Proceedings*. Thank you for your patience and understanding.

Sincerely,

Luciano Azzolini,
