Marie, further to your note regarding Rangitt's letter - I have no such letter, only the email note included in this email. Based on Rangitt's email I communicated with the Executive Director. Please let me know if there is a letter I am unaware of.

Sincerely,
L. Azzolini

Louie,

RE: Canadian Zinc Corporation: Draft Terms of Reference and Draft Work plans Surface Exploration, Underground Decline and Metallurgical Plant Operation Developments.

Chances are that we will not be able to respond to the Board's request for comments by May 11/01. We are therefore requesting that an extra week, until May 18/01, be provided.

As I'll be away from the office during the week of May 7-11, please send any communication on this project to Marie Adams.
