**Re: Environmental Assessments of Canadian Zinc Corporation applications
MVLWB File MV2001C0022, MV2001C0023, and MV2001L2-0003**

Dear Mr. Azzolini,

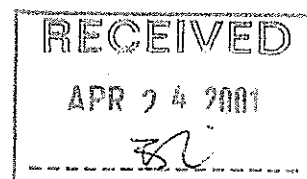

This letter is in response to your letter of 14 April, 2001, which informed government departments of their obligations as per Section 118 of the Mackenzie Valley Resource Management Act, and asked departments to self-identify with regard to their participation in the environmental assessments of the above mentioned applications.

I would like to inform you that Nahanni National Park Reserve will participate in these assessments as an Expert Advisor and Intervener.

If you have any further questions, please contact our office at (867)695-3151, or (867)695-2446 (Fax). Thank you for your assistance in this matter.

Sincerely,

Charles Blyth
Superintendent
