Elaine Please call me at 867-873-9189. The comment period on the ToR and work plan closed at the end of August, but that does not preclude any comments or suggestions going on the registry and to the Review Board. They are flexible enough to accommodate well reasoned suggestions and requests. Please feel free to call me at home to 873-9348.

Subject: Snap Lake

Hi, I am a member of the public and I'd like to know if the Snap Lake Draft Terms of Reference are out for public comment? If so, is there a deadline?

Thanks,
Elaine Blais.
