## Re: Documents on Public Registry for Snap Lake EA

We are attempting to compile all of our files related to the DeBeers Snap Lake Environmental Assessment. I have discovered that a number of items of correspondence that are listed on the public registry are not in our files. I would like to obtain a copy of these as soon as possible. They are listed on the public registry as the following item numbers:

532	#14	669	Vol 11	768	#19	834	20
648	Vol #17	683	"	769	"	836	"
649	"	695	"	772	"	894	Vol #22
653	"	727	"	778	"	895	"
662	"	766	Vol 19	794	-120	939	"
668	"	767	"	795	"		

**\*Please fax these documents to (867) 370-3143 as soon as possible. This is the Wildlife Dept. direct fax line, and we will get them much faster than if they go to the regular band office fax. Alternatively, you could email them to [wildlife@lutselke.com](mailto:wildlife@lutselke.com), although our email has not been very reliable lately.**

If you have any questions, please call me at (867) 370-3051.

Sincerely,

*Monica Krieger*
