Hi Glenda

The GNWT has reviewed the NSMA submission and response from De Beers. GNWT will not provide a written submission. GNWT Justice has informed me that the Board will rule on the NSMA matter on Monday. GNWT Justice will be present to represent the GNWT if necessary.

Thanks

Gavin:

Could you please confirm that the GNWT did NOT submit a submission for the written hearing on NSMA's preliminary and jurisdictional issues. You indicated in a previous email that the GNWT would participate; however, we did not receive anything from the GNWT on the deadline of April 23.

Thanks.

Glenda
