**RE: WWF Information Request (IR) and GNWT Conformity Report.**

Please find attached the WWF's Information Request and the GNWT's Environmental Assessment Conformity Report. The Review Board will consider both of them before taking any decision on them.

**Note:** *This conformity check determines whether or not De Beers has responded to what was asked for in the EA Terms of Reference; it does not reflect the technical adequacy of the information provided De Beers. Any additional technical information, or further explanation, required will be requested through information requests (IR's). IR's would facilitate the technical analysis of the development.*
