Subject: EA Report Distribution

Mr. Ledrew and Mr. Johnstone, I prepared a preliminary distribution count for the De Beers Snap lake Diamond Project environmental Assessment (EA) based on the recently completed BHP expansion EA. During the EA it would be helpful if De Beers provided/distributed its documents as per the table below. I appreciate that the numbers may go up or down during the EA, and as requested by communities or government departments, but for now, we will try to use what was used previously until asked to change.
