Subject: De Beers Round 3(b) IRs Issued and Round 3 (a) IR Responses Provided by De Beers

De Beers submitted its Round 3(a) IR responses on September 23, 2002 and is preparing additional CD and paper copies. When De Beers' provides the CDs and paper copies I will deliver and courier them to all the parties.

The Review Board also teleconferenced on September 23, 2002 and made its decision on the release of Round 3(b) IRs. They are attached to this email in pdf format.

The Review Board's staff, legal counsel and consultants are preparing procedures for the Prehearing Conference (PHC), a draft PHC agenda for distribution, and is updating the Board's web site so that the most current information is available to everyone. Please note, the purpose of the PHC is to consider agenda items for the upcoming technical sessions, not a hearing before the Board.

In the next few weeks you will see advertisements in our Territorial newspapers regarding the PHC and parties to the EA will receive a memo outlining the PHC procedures. Please feel free to call me if you have any questions about this email.

Luciano Azzolini

Environmental Assessment Officer

Mackenzie Valley Environmental Impact Review Board

Box 938, Yellowknife, NT. X1A 2N7
