The MVEIRB will attend an on-site tour of the Snap Lake project area provided by De Beers Canada Mining Inc. on Friday April 11. A Twin Otter has been arranged for the flight, and will depart from Yellowknife on Friday morning between 9 and 10 am. Six (6) additional seats are available to directly affected parties and interveners on a "first come first serve" basis. There will be a limit of one representative per party, and the site visit is intended only for parties who have not previously been to the Snap Lake site.

If you are a directly affected party or intervener, and wish to attend the site visit on Friday, please let me know by Wednesday April 12th either via email (ea-snaplake@mveirb.nt.ca) or phone (867-766-7052). The exact time of departure is still to be confirmed.
