**Subject:** Single Point of Entry and Exit for information/documents provided the Review Board

Respecting concerns expressed by parties to the De Beers Environmental Assessment regarding the effective coordination and distribution of documents and information pertaining to the De Beers (EA), the Review Board's staff will undertake to provide a single point of entry and distribution for all relevant documents and information placed on the public register by Interveners and Directly Affected Parties.

We hope this change in procedure is acceptable to those participating in the EA. If there are any concerns regarding the change, please call me at 867-766-7053.

Sincerely,
