Re: Dates for the Pre-hearing Conference for the Technical Sessions

Concerns have been raised with holding the pre-hearing conference for the technical sessions on Nov. 5th and 6th. After considering these concerns, the Mackenzie Valley Environmental Impact Review Board (Review Board) has decided that it will re-schedule the pre-hearing conference to Nov. 8th starting in the morning and continuing through the afternoon, if necessary. The Review Board anticipates providing additional information on the pre-hearing conference tomorrow.

If anyone has any questions, please contact Vern Christensen at (867) 766-7055 or vchristensen@mveirb.nt.ca.

Sincerely,

A handwritten signature in cursive script that reads "Joe Acorn".
