Ref. 946, 947, 948
949 & 950

Attached is a May 30 fax that is on the public registry (the last thing I gave you before I left).

Could you please dig out all five pieces of correspondence that this fax refers to and include copies in the package that will go to John Donihee. Include the copies in the mailing envelope with the binder (ie it should not go in the binder itself). I am also including a revised memo (please discard the previous one I sent to you). The fax cover sheets themselves do not need to go in the package (ie just include the letters themselves).

All five pieces of correspondence should also be copied to the Board members (Gordon, John S, Danny, Charlie and Frank). As above, the fax cover sheets associated with the correspondence shouldn't go to the Board members, that is, just include the letters themselves. I am attaching a fax cover sheet to be used for sending the correspondence to the Board members. Please fill in (electronically) the names, fax numbers, and number of pages on the cover sheet.

Re: **Final correspondence filed to the Snap Lake public registry**

NOTES:

Please find attached final correspondence filed to the De Beers Snap Lake public registry. You previously saw three of the letters in draft (CARC, DFO, Dept of Justice letters) at the May 27-28 Board meeting, but I thought that you should have the final versions of the letters, as there were some modifications made to the letters.

Regards,
Glenda
