Dear Glenda,

Re: Snap Lake Diamond Project Environmental Assessment- Erratum to April 11, 2003
Response Letter to the MVEIRB *Ref 703*

With respect to Q (6) Part 1 and 2 of the above document, De Beers would like to make the following change to the reference cited for the CWS caribou energetic model (Russell et al. 2000).

For the citation in the body of the text:

Russell et al. (2000) should be replaced with Russell and White (2000).

For Literature Cited, the reference should read:

Russell, D.E., and R.G. White. 2000. Surviving in the north – a conceptual model of reproductive strategies in arctic caribou [abstract]. Pp. 67 in Proceedings of the 8th North American Caribou Workshop, Whithorse, Yukon, Canada. R. Farnell, D. Russell, and D. van de Wetering (eds.). Rangifer Spec. Issue 12. Tromsø, Norway: Nordic Council for Reindeer Research.

Please contact the undersigned if you have any questions.

Yours truly,

Robin Johnstone
Senior Environmental Manager
