Thx Glenda

I think Lionel wrote that part and I will forward the website to him.
We've actually got a person on consolidating a single copy of the files for future reference. Your lists have been very helpful in determining what we missed. Unfortunately I haven't had any time to stay involved in this process.

Thx

Gavin

Your air/waste letter indicates RWED did not receive the above noted document. It is available on the following website
<http://www.mveirb.nt.ca/Registry/EADeBeers/Technical%20Memorandum/Closure%20Plan/>

I did notify all parties of this report when it came in from De Beers and directed the parties to the website if they wished to review it.
