Subject: De Beers Snap Lake Presentations

Good morning Glenda,

Further to Robin Johnstone's (De Beers) instructions, the following eight presentations have been uploaded to an FTP site (<ftp://unx4:xum0@157.208.235.11>):

- De Beers Opening Presentation
- Socio-Economic Impact Assessment
- Economic Impact Assessment
- Water Quality
- Hydrogeology - Water Quality and Quantity
- Overall Effects on Snap Lake
- Geotechnical and North Pile
- Land (Wildlife and Vegetation)

Should you have any difficulties accessing the FTP site, please do not hesitate to contact me.
