Subject: Re: calendar, reminders, missing information--De-Beers-EA *DIAND presentations; CVs.*

Thank-you for this information.

It is unfortunate that DIAND cannot provide their powerpoint presentation until the hearing. Logistically (and we are dealing with a lot right now), it is preferred if we could have this by the date specified (April 24).

For the record, the original deadline for submitting opening statements (not required to be word-for-word) was **April 17th**, as stated at the March 26/27 pre-hearing conference and in our follow-up April 10th process update process letter. The **April 22nd** (you stated April 25th which is incorrect) is an extension to that deadline already. We would still request that a summary of your opening statement be provided to the MVEIRB as soon as possible, preferably today. Please indicate when I can expect to have a summary of your opening statement.

Lastly, please use my MVEIRB email account (ea-snaplake@mveirb.nt.ca) instead of my Gartner Lee account - I had to use the latter account over the weekend, but would prefer if you could send your emails to the MVEIRB account.

Regards,

Glenda

Sorry Glenda.....they are now attached

Good Day Glenda

Please find attached, five electronic CV's for DIAND's expert witnesses and presenters for the upcoming hearings starting April 28/03 with the exception of Dr. Peter CHAPMAN, who is out of the office until Wednesday, at that time I will forward Dr. Chapman's CV on to you.

Presenters and Expert Witnesses for DIAND

1. John BRODIE (Geotechnical Issues/Concerns)
2. Peri MEHLING (Geochemistry)
3. Ken RAVEN (Hydrogeological)
4. Peter CHAPMAN (Water Quality Issues)
5. Eugene YAREMKO (Surface Water Hydrology Issues)
6. Chris BURN (Geothermal/Permafrost Issues)

With regards to DIAND's presentation, we will be presenting in a Power Point format however, at this time we are continuing to make revisions to it and will do so right up until the day before the hearings. Please note that we have submitted our presentation on time in a PDF format. Unfortunately we won't be able to get one to you (to download to one computer) as we anticipated modifications to the presentation once we have conducted a dry run/dept'l peer review of it on Sunday the 27th April/03.

Which leads into the Friday April 25th/03 deadline for submitting opening statements please note, because our presentation will not be finalized until April 27/03 we won't be submitting an opening statement by the deadline (25/04/03).

If you have any questions please contact Fraser Fairman or myself.

regards

FJJ

Calendar

Please find attached a summary calendar of remaining major events / submissions for the De Beers EA. Note that the calendar outlines deadline dates of April 22, 23, 24, 25, and May 23 that apply to the proponent and other parties to the EA.

Missing Information in Presentations

In the MVEIRB's updated process letter of April 10th, we requested that the names of the presenters, and associated organization be outlined with each hearing presentation - we would like this information for each topic hearing presentation topic. We still require this information from the following parties: De Beers, INAC, Yellowknives Dene FN, NWT/Nunavut Chamber of Mines, NWT Metis Nation, DFO, Environment Canada, GNWT, Lutsel K'e, NRCAN, and NSMA. For each presentation topic, list the presenter(s), and their associated organization. Please provide this information by Tuesday, April 22nd

The April 10 letter also outlined that the hearing presentation submissions were to include "opening statements". This was also made clear at the pre-hearing conference. The following parties previously indicated that they will provide an opening statement at the hearing, but we have yet to receive your presentations for these opening statements: INAC, Yellowknives Dene FN, NWT Metis Nation, GNWT and Lutsel K'e. Please submit your opening statement presentation by Tuesday April 22nd.

Spokesperson

A reminder that a spokesperson should be designated for each party that intends to participate in the public hearing. This spokesperson will be

asked to identify him or herself as such at the hearing.

Please continue to use my MVEIRB email account for sending me emails
