Re: DeBeers Snap Lake Diamond Project Site Visit

Dear Glenda:

I am writing in relation to the minutes of the January 29, 2003 meeting. I have had an opportunity to compare these notes to the notes the NSMA has available of what was said at that meeting. There are several differences. Is a tape of the January 29, 2003 meeting available? If it is, please send me a copy at your earliest opportunity.

I look forward to hearing from you.

Yours truly,

Kris Johnson
