Hi Glenda,

I am sorry to say the NSMA can not be present at the site visit. All personnel who would be adequately informed about the Snap Lake Diamond Project are currently busy preparing for the Public Hearing. Please keep us informed of all presentations and discussions that take place at the site visit.

Thank you,

Kris Johnson

In addition to the email I sent yesterday, please note that part of the site visit will take place by vehicle, but some will take place on foot, so please bring appropriate warm clothing with you. The following is the approximate itinerary:

- \* Everyone is to meet at Braden Burry Expedites (BBE) at 8:30am
- \* Depart for site at 9:00am
- \* Arrive at site around 9:45am
- \* Safety Orientation
- \* Lunch (provided, but note that you will be charged back for it along with the cost of your seat)
- \* Site Tour
- \* Arrive back in Yellowknife around 3 to 4 pm

If you have any questions, let me know.

Kris and Rachel, please confirm ASAP if somebody from your organization will be attending the site visit, and please indicate their name, as I need to pass this on to BBE this afternoon.
