

Northwest Territories Resources, Wildlife and Economic Development

April 8, 2003

Glenda Fraton
Environmental Assessment Officer
Mackenzie Valley Environmental Impact Review Board
2nd Floor Scotia Center, 5102-50th Ave
Yellowknife, NT X1A 2N7

Dear Ms. Fraton:

Outline of Presentations by the Government of the Northwest Territories at the DeBeers Public Hearings.

The Government of the Northwest Territories (GNWT) is pleased to have the opportunity to speak directly to the Mackenzie Valley Environmental Impact Review Board on the issue of the DeBeers Canada Mining Ltds., Snap Lake Project. As per your request for the number and types of presentations that the GNWT will be engaged in, we are planning on conducting three separate presentations; one on wildlife concerns, one on social concerns and one on economic concerns. These three presentations will be in addition to opening and closing remarks.

If you have any concerns or comments in regards to the above please feel free to contact me at 867 920 6392.

Sincerely,

Gavin More.

Environmental
Assessment Analyst.

C. Dr. L. Foley
Deputy Minister,
Education Culture and Employment, GNWT

Mr. D. Murry
Deputy Minister,
Health and Social Services, GNWT.

Mr. R. P. Bailey
Assistant Deputy Minister, RWED, GNWT.

Mrs. D. Eggers
Director,
Policy, Legislation & Communications,
RWED, GNWT.

Subject: Presentations for the De Beers Public Hearings

Hi Glenda

Please be advised that the GNWT wishes to present brief powerpoint presentations on the following topics:

1 Hiring Commitments - to be prepared by ECE in conjunction with the Investment & Economic Analysis Division of RWED.
Possible presenter - Ms. Darlene Romanko or Ms. Lesley Allen.

2 Business Development - to be prepared by RWED and including such topics as procurement and housing.
Possible presenter - Mr. Dan Westman.

3 Rough Diamonds - to be prepared by RWED.
Possible presenter - Carl Malmsten.

4 Hydroelectric Energy Alternatives - to be prepared by RWED in consultation with NWT Power Corporation.
Suggested presenter - Mr. Pietro DeBastiani.

5 Wildlife - to be prepared by RWED. Tentative topic is caribou case study. Suggested presenter - Ms. Anne Gunn

It is my understanding that presentations 1 through 4 will be made as a group under the Socio-Economic theme. Presentation 5 will be made during the Wildlife theme.

A formal letter will follow to the MVEIRB.

Thanks

Gavin More
Environmental Assessment Analyst

Hi glenda

Just got a phone call from our health department. They have been instructed to provide on presentation on "health issues". This would make a 5th presentation within the Socio-Economic time slot. If possible, an additional 5 minutes would be helpful when you organize the timing.

I will have the other items burned on a cd in the am.
