Re: Air Quality Information Meeting With Yellowknife Dene Community

Dear Chief Edjericon

During the De Beers Public Hearings, Rachel Crapeau expressed an interest in air quality and issues related to standards, monitoring and enforcement. The Government of the Northwest Territories (GNWT) agreed to meet with representatives of your community at mutually convenient time.

This letter is to re-affirm this commitment and to provide contact information should you wish to pursue the idea of a community meeting. Our Environmental Protection Services (EPS) includes persons knowledgeable in the areas of air quality standards and guidelines, air quality monitoring, and climate change. These include:

Ken Hall, Manager Environmental Protection
Graham Veale, Air Quality Programs Coordinator
Jim Sparling, Energy Programs

For additional information and to arrange a meeting, please contact Mr. Hall at (867) 920-6476.

Yours Sincerely
