Subject: De Beers - Information Requests Round Two

This email is directed to all Directly Affected Parties and Interveners to the De Beers Snap Lake Diamond Project Environmental Assessment

The De Beers Environmental Assessment (EA) Work Plan has the third round (second round for Interveners and Directly Affected Parties) of Information Requests (IRs) closing on May 27, 2002. I appreciate that you do not have the responses to your First Round of IRs and that you may have supplementary IRs that you cannot provide the Review Board by May 27, 2002 because you need De Beers's response to your first questions first. Please be assured that any amended Work Plan approved by the Review Board will recognize your need for additional or supplementary IRs.

Please provide your next round of IRs to the Mackenzie Valley Environmental Impact Review Board (Review Board) on or before May 27, 2002 that are not dependent on responses to your first round of IR questions.

Sincerely,

Luciano Azzolini
