Those IRs you are referring to will not be issued until I receive further direction from the Review Board. I have received comments on the amended work plan and will take those comments to the Board for its consideration. The direction provided will address the matter of the IRs you are referring to. Hope that helps.

Hello Louie,

I've just been looking through the "consolidation" of IRs posted on the website, as well as a collection of IRs from directly affected parties that you sent out by e-mail on May 27 and 28. I'm hoping you can clarify something for me at this point.

Is it anticipated that all of the IRs sent out in your May 27/28 e-mails will be issued under the Board's authority and included in a later "consolidation"? If not, what is the status of those IRs?

Thanks for any light that you can shed on this for me.

Terry D.
