Re: Rae-Edzo metis, metis Nation Local 64.

NOTES:

John, before providing the Review Board with a BW (+) recommendation I thought it important to get your legal advice. John, how should the RB approach this request? Should it get additional info from the Rae-Edzo metis? Should the RB issue reasons for its decision? Is there other work I can do to ensure what ever recommendation made is sound + legally defensible? Thanks John
