Even better, lets schedule a meeting so I can go over the rules with you and provide you the materials that were provided yesterday. I am away from March 14 to the 26 but anytime before that is fine with me. Just let me know when you want to drop by.

Dear Louie,

As I was very ill with a severe chest cold and flue I was unable to attend your meeting that took place yesterday February 25, 2002 on the Rules of Procedure for the De Beers Environmental Assessment .

In addition to any other information that may be relevant, we do need to know the schedule of events so that we can plan our submission. Or would you advise that it best that I pick up the meeting notes that were placed on the public registry.

I look forward to your reply.

Cheers

Bill
