Dear Ms. Hutchison:

**Re: De Beers Snap Lake Diamond Project – Environmental Assessment**

Thank you for your faxed letter of today requesting the date when the Mackenzie Valley Environmental Impact Review Board (Review Board) will meet to discuss work plan amendments.

The next full Review Board meeting is scheduled for September 10-12, 2002: during the summer months, the Board may meet via teleconference as required. Board meetings are normally held in-camera.

Further, Review Board staff is in the process of preparing a submission regarding the proposed amendments to the work plan, and will present it to the Review Board for their consideration in September, or sooner if possible, as well as other relevant documents submitted to the Snap Lake Public Registry.

Please be assured that all parties will be notified of a meeting date should the Board meet prior to September 10, 2002.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'L. Azzolini', written over a horizontal line.
