Kris,

As per your request by phone earlier today, attached please find the information that you requested regarding the above-noted development (available on the Mackenzie Valley Land and Water Board web site). Part of the requirement of the draft Terms of Reference and Workplan is to request specific details about the proposed development. If you have questions that are not addressed by this document and the draft Terms of Reference and Workplan, please include them in your comments.

Please call if you have any more questions.
