Sherry,

On behalf of the Great Slave Cruising Club I would like to be included on the distribution list for these programs.

Thank you.

Subject: Referrals for exploration programs in Drybones and Wool Bay

Dear Mr. Abernethy,

Recently, the MVEIRB received referrals for three exploration programs (Consolidated Goldwin Ventures, North American General Resources Corporation and New Shoshoni Ventures) in the Drybones Bay and Wool Bay Area. All undertakings are proposed to be on-ice drilling programs between February and June. Details can be found on our web site at <http://www.mveirb.nt.ca/Registry/MVInfoIndex.html>.

I have been advised that the Great Slave Cruising Club might be interested in these environmental assessments given that your club uses this area. Please let me know if you would like to be included on the distribution lists for these programs by May 30, 2003. Participation in this process would involve receiving information about these undertakings and having the opportunity to comment on the Terms of Reference

Regards,
Sherry Sian
