Hi Sherry,

I just wanted to introduce myself as the new Wildlife, Lands, & Environment Manager for the Lutsel K'e Dene First Nation as of May 20. Things are somewhat hectic around here due to the changeover in staff, and I have come across the notice of May 8 regarding the referral to EA of the above proposal. It is unclear whether or not the previous manager (Howard

Townsend) submitted any response to this letter, so just in case he didn't, I am formally requesting that Lutsel K'e Dene First Nation remains on the distribution list for any correspondence related to this EA. I apologize that this response is submitted past the stated deadline of May 16. Sincerely, Monica Krieger Wildlife, Lands, & Environment
