Re: **Public Hearing in Kakisa (re your fax of July 8, 2003)**                      *Ref #10*

---

Alan:

The Board has discussed the possibility of having a Public Hearing on the Cameron Hills Extension in Kakisa and very much likes the idea. Right now we are waiting for comments on the draft Terms of Reference and Work Plan for this assessment. Once we have established a final work plan we will be able to schedule the Public Hearing.

Could you let me know when would be a good time for this from your point of view? If at all possible we want to avoid important harvesting periods, or other times when community members tend to be out of town. Also, would a public meeting during the day be better or in the evening? Also, if you have any other comments or questions on the draft Terms of References (I trust you received the document), please let me know.

Regards
