Subject: Possible Site Visit June 9, 2004

Hello,

The Review Board has recently found the DAR to be in conformity with the final Terms of Reference for the proposed Deh Cho Bridge Corporation's Mackenzie River Bridge project. The Review Board would like to conduct a site visit (as outlined in the work plan) at Fort Providence on June 9, 2004. Ideally, the Review Board would have lunch in Fort Providence and conduct a site visit between 12 and 2 p.m. I would like to know if representatives of the Deh Cho Bridge Corporation would be available to assist the Board by describing the project details at the proposed construction site. Please advise me as soon as possible, as arrangements are already under way.

I look forward to hearing from you.

Kim
