Hi Peter,

In the DAR for the winter work EA, borrow sites 20.003P and 20.004PB are still listed in Table 1-2 despite the fact that Imperial Oil has committed to removing both sites from future development plans (see the attached letter from ColtKBR).

Please provide a copy of the letter from either Imperial or ColtKBR to the Mackenzie Valley Land and Water Board withdrawing proposed borrow sites 20.003P and 20.004PB from Land Use Permit application MV2003X0045 and Water License application MV2003L8-0012.

Thanks,
