Re: **Corrections to Reasons for Decision documents of March 2nd and 3rd, 2004**

The Mackenzie Valley Environmental Impact Review Board wishes to make the following corrections to the first paragraphs of both of the above noted documents, pertaining to the referral of the geotechnical investigations proposed by Imperial Oil resources Ventures Ltd. in the Deh Cho.

Applications to the Mackenzie Valley Land and Water Board were received on October 27th, 2003, and not on October 7th, 2003, as noted. The date of submission of the Preliminary Information Package for the proposed Mackenzie Gas Project was June 18th, 2003, and not April 2003, as noted. Neither of these corrections affects the decisions described in the documents.

The Review Board would like to thank Imperial Oil Ventures Ltd. for identifying these inaccuracies.

Sincerely,

Todd Burlingame,
Chairperson.
