In the hope of clarifying what was missing in the response filed to AN Round Two IR #19, the first question asked for a copy of the meeting summaries for March 16 and December 3, 2009. A summary of the March 16, 2009 meeting was not provided.

The second question asked for summaries of meetings held after July 9, 2010. Only one meeting summary was provided for October 12, 2011. This summary references approval of minutes for a meeting held on May 4, 2011 as item 2. Please provide a copy of the May 4, 2011 summary as it was not attached.

Finally, an explanation as to why there have been no further Oversight Committee meetings held since October 2011 would be helpful. If the meetings do resume, it would also be helpful to know how AANDC intends to make the summaries public (e.g. the Giant Mine website or some other means?). Thank you.
