Dear Mr. Hubert

RE: Environmental Assessment EA0809-002, Prairie Creek Mine
Notice of Open Houses

Following submission of our Developer's Assessment Report (DAR), this letter is to inform you of the intent of Canadian Zinc Corporation (CZN) to hold open houses to discuss the contents of, and answer questions on, the DAR. The intent is to impart information to interested parties in preparation for subsequent phases of the EA process. We propose to hold two open houses as follows:

Yellowknife, April 20th, 9 am - 12 noon, Tungsten Room, YK Inn

Fort Simpson, April 21st, 3 pm – 7 pm, CZN office across the road from TJ's Grocery

The format for the open houses will differ. In Yellowknife, a meeting-style format will be used aided by the use of a projector to discuss and answer more technical questions. Participants are asked to arrive at 9 am for the session. In Fort Simpson, a more typical open house format will be used aided by the use of posters, and participants are free to come and go as they please.

Please make the above details available on the public registry for the EA.

Yours truly,
CANADIAN ZINC CORPORATION
