**Re: EA0809-002 Prairie Creek Mine  
Technical Meeting, technical reports and hearing schedule**

The Review Board met March 29-31, 2011 and considered requests by several parties and the developer for a technical meeting. The Review Board is in agreement that an informal focused technical meeting prior to technical report preparation is beneficial to parties.

An informal technical meeting will take place on April 12 and will be facilitated by Review Board staff. The purpose of the meeting will be to provide an opportunity for parties to ask the developer questions on the Prairie Creek Mine project in order to obtain information necessary to prepare technical reports. The meeting will take place on April 12th in the large boardroom at the Tree of Peace in Yellowknife beginning at 9 am. All parties to this environmental assessment are welcome to attend.

In order to accommodate the requested technical meeting, the submission date for technical reports and scheduled hearing dates have been revised as follows:

- April 12: Technical meeting in Yellowknife
- May 5: Technical report submissions due
- May 9: Pre-hearing conference
- May 24: Community hearing in Nahanni Butte
- May 25-26: Public hearing in Fort Simpson

If you have any questions, please contact me by email or phone.
