Attention: Mr. Vern Christensen, Executive Director, MVEIRB;

**Re: Developers Assessment Report
Tyhee NWT Corp's Yellowknife Gold Project
File EA0809-003**

We have noticed that in the MVEIRB's December 2009 monthly news letter it states:

"A proposed open pit gold mine, this project is located 88 kilometres north of Yellowknife, near the former Discovery mine site. The Review Board is waiting for Tyhee's Developer's Assessment Report, expected January 2010."

Tyhee NWT Corp would like to update the MVEIRB that we expect to submit the Developers Assessment Report (DAR) in the second quarter of 2010. The actual submission date will be conveyed to the MVEIRB once the Pre-Feasibility Study, currently underway, is completed and that the findings of the Pre-Feasibility Study can be incorporated into the DAR in a timely manner.

Should you have any questions related to this matter, please contact me on my cell 780-975-2550.

Yours truly,
