

Part 2 - Other Issues

The Review Board identified a number of areas where additional information would be helpful in assessing the likelihood of significant impacts on the environment. The Developer should provide any additional information that is available on the items listed below. The remainder of this section provides the relevant sections of the terms of reference and the Review Board's questions in relation to those sections.

IR Number: 1-2-5

Source: Mackenzie Valley Review Board
To: Tyhee
Issue: Traffic Volumes

Terms of Reference - - Section 3.2.2 Development Description

16. Truck loads and incoming/outgoing weights, for all phases from construction to closure, by annual winter road season.

Request

- 1. Please provide an estimate of the number of truck loads and weights for all project phases for the annual winter road season.*

Tyhee NWT Corp Response

Tyhee will respond to this IR in early November.
