On September 10, 2010 the Review Board finalized the Workplan for the TNR Gold Corp. Ltd- Moose Property Exploration Project EA 1011-002. The Board made the decision to give travel and accommodation support to Lutsel'ke Dene First Nation, Deninu Kue First Nation and also the Fort Resolution Metis Council to help these communities participate in the EA process. The Board is giving financial support of up to \$2400 per organization to allow 2 representative from each to attend the September 30th, 2010 *Information Session* scheduled in N'dilo at the Smoke House.

The *Information Session*, as stated in the Workplan, will allow parties to ask the developer any questions regarding the proposed project and to also prepare for the upcoming public hearing in October. The *Information Session* will give the developer the opportunity to answer questions and explain the project to the concerned parties.

Both parties and the developer are expected to have any unanswered questions from this session prepared for the hearing on October 22, 2010.
