Louie,

Jeff Stein in Winnipeg informed me that he received notice of the meetings on the 24th and 25th as well as a copy of the BHP review workplan. These items do not need to be sent to him. Please adjust your mailing list accordingly.

Gordon and Louie

I will be attending the two meetings on August 24 and 25th in the capacity of an expert advisor.

For your information, I am on duty travel on Monday August 23 and may be returning to Yellowknife on the morning of August 24th on the 9:30 flight. If this is confirmed, I would be joining the Fort Liard gas Pipeline meeting after 10 am. I will let you know my schedule when confirmed.

Thanks

Kathleen LeClair

Gordon,

Further to your earlier note to the region, this is to advise that I plan to attend your August 24, 25 meeting at the Bellanca Building concerning the BHP and Ranger applications.

Look forward to the session.

George
