Hi Jessica and Shin,

Please submit NSMA's intervention by August 7, 2019 - Diavik has indicated it can respond if it gets the intervention by then.

Please call me if you have any questions,
Catherine

Hi Catherine,

Although we can not determine effort required to address late Interventions from any party, we will endeavour to address all interventions during the established 3-week timeline for DDMI's Response, as long as we receive the late Interventions no later than Wednesday, August 7th ".

Regards,
Kofi

Subject: FW: NSMA Intervention?

Hi Kofi,

Please see NSMA's request below. Will Diavik be able to respond to NSMA's intervention by Diavik's August 22nd deadline if NSMA submits on Wednesday, August 7th?

Thanks,
Catherine

Good morning Catherine,

Unfortunately, due to capacity constraint NSMA is not able to submit our technical report until Wednesday August 7th. May I request an extension until Wednesday August 7th? I apologize to you and the proponent for making this request after the fact.

Best,
Shin

Subject: NSMA Intervention?

Good morning Jess,

The deadline for submitting Interventions for the Diavik public hearings was yesterday (August 1). Is NSMA still intending to submit an intervention? If so, please send it right away or call me to discuss.

Thanks,

Catherine
