Re: Extension request by WRRB for submission of information requests

On May 1, 2017 the Review Board notified parties that the first round of information requests were due on May 29, 2017 (PR#113). The Wek'èezhì Renewable Resources Board has requested an extension until Friday June 2, 2017. The request is attached to this Notice of Proceeding.

The Review Board grants this request for extension. All organizations who intended to submit information requests by May 29, 2016, may benefit from the additional time to submit information requests, until Friday June 2, 2017.

The Review Board's project lead for EA1617-01, the Tłıchq All-season Road, is Simon Toogood, Environmental Assessment Officer, (867) 766-7053 or stoogood@reviewboard.ca.

Re: Request of Extension – Submission of Information Requests - EA-1617-01 Tłı̄chọ All Season Road

Mr. Toogood:

The Wek'èezhì Renewable Resources Board would like to request an extension for the submission of information requests for the EA-1617-01 Tłı̄chọ All Season Road from May 29, 2017 to June 2, 2017. Unfortunately, the Board's Wildlife Management Biologist has been out of the office since last week, and continues to be, due to illness. If you have any questions, please contact our office at (867) 873-5740 or jpellissey@wrrb.ca.

Thank you for your consideration.

Sincerely,
