Attention: Louie Azzolini:

RE: Information request - Information Request: Canadian Zinc Corporation

Further to our submission, on March 1/01, to the MVEIRB information request (IR) of February 16/01, and following discussion with you on the subject of the "Rehabilitation Site Restoration Model for Prairie Creek Mine", we are providing the following additional information.

The above-mentioned draft report contains financial information of a protected nature and is not suitable for release, as it may jeopardize a company's ability to access funds from financial institutions for their project. Because of the sensitive nature of the report, we require substantiation of your request.

I trust that this information is helpful.

Sincerely,

Ranjit Soniassy
